REPORT OF LIBRARY TRUSTEES

Again we submit our annual report of the transactions of the previous year.

Seventeen books have been received from the State Aid.

More and better books have been purchased this year because of the small increase in the Town appropriation.

We thank all who have donated books and magazines, and who have distributed books to the schools in town.

Please note the large increase in the circulation of books the past year, over that of the previous year.

TOWN FOREST REPORT

The Town now has three pieces of Town Forest land, these pieces were surveyed this year and the bounds set, but they were not measured so the area cannot be stated here accurately.

The Winslow lot, located around Stark Pond, was donated to the Town through Mr. Arthur Winslow and under certain conditions: (1) No timber was to be cut without the advice and consent of the State Forester. (2) Any income derived from said lot was to be used for the improvement and development of Town Forest lands.

The Huard lot was acquired by the Town by tax sale, area estimated 40 acres. It is located near the Charles Little farm. Some work has to be done on this lot.

The third piece was given to the Town by Mrs. Charles Parker. Contains about 130 acres, and is located near the Lincoln Burnham farm in the Gorham Pond district, and was known as the Stinson. Some work has been done on this lot.

It is hoped and expected that these Town Forest lands will be a valuable asset to the Town in the future.

REPORT OF SCHOOL BOARD

To the Inhabitants of the School District of Dunbarton:

The School Board herewith submits its annual report for the year 1938.

A Works Progress Administration Project of piping drinking water from the artesian well at the town hall to the two rooms at the Centre School was made available to the School Board in April. This project was approved by the authorities in Washington. The work was started in July and extended over a period of several weeks. With the assistance of the State Board of Education various types and sizes of drinking fountains were studied. The type of fountain installed in each cloak room was approved by the State Board of Health. Water was piped to the lavatories as well as to the drinking fountains.

Some repair work was done at the Montalona School, including the building of a book closet which allows ample room for supplies.

A deficit of \$550 exists for 1938-1939. There are three reasons for this. First, the policy of the school board has been to keep the budget of the school district as low as was possible to maintain a school system of high standard, even if a deficit occurs when unexpected expense arises. In the second place, the item of high school tuition varies greatly from year to year. In September 1938, thirty pupils from this town registered in various high schools, a larger number than was estimated in February. In the third place, the project of piping drinking water to the Centre School was not made available until April so no amount was included in the budget to cover the cost of materials.

Respectfully submitted,

EVA A. TUCKER,

MARY I. STONE,

WESTON P. LORD,

School Board.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Dunbarton:

There has been no change in the teaching force. The enrollment in the Schools this season is as follows:

Center—Grammer room	26
Primary room	32
S. Dunbarton	9
Montalona	26

There is one tuition pupil from Bow in the Montalona School. The School Census taken in September showed 47 boys and 43 girls, or a total of 90 children between the ages of five and sixteen years of age. Of these, all are in school. One elementary pupil is attending a school at Parker's Station in Goffstown. Thirty are enrolled in High Schools. Twenty of these are in Concord, seven are in Goffstown, and three in Manchester. The number of high school tuition pupils is seven more than last year. The tuition rates are as in previous years, \$100 per pupil, per year in Concord and Manchester, and \$80 in Goffstown. The total tuition expense this year for high schools will be approximately \$3,000. The amount appropriated for the current year is \$2,700.

The "bubbler" installed at the Center School has been a real improvement, providing ample water supply—with the new sanitary type of bubbler.

Beginning this year, text-books in general science will be begun for grades seven and eight. The pupils entering high schools have found themselves somewhat at a disadvantage—because of this lack. The introductory course in these grades should provide much information of interest and of value.

The attendance in our schools—is shown in the following data—taken from last year's registers.

Perfect attendance for whole year:

<i>Montalona</i>	Shirley Prescott
<i>Center Grammar</i>	Fred Blackman
<i>Center Primary</i>	
Harold Chandler	Druna Dulude
Helen Chandler	John Ireland

For three-quarters:

<i>Montalona</i>	
Alice Armstrong	Dora Ordway
Abbie Armstrong	Bernice Ordway
John Armstrong	John Warriner
Beatrice Dugrenier	Wayne Warriner
<i>Center Grammar</i>	
Priscilla Burnham	Eva Chandler
Alfred Carson	Elizabeth Fielder
Amos Carson	Rilla Meekins
Ruth Osgood	

Center Primary
William Conn

Perfect half year—*Montalona*—11.

Last year's graduates from grade eight are given below,
most of whom are now in high schools:

*Priscilla Burnham
*Amos Carson
*Charles Carson
*Yvonne Dugrenier
Susan Wright
*Albert Paris
*Maurice Paris
*Walter Pow
Bernice Ordway

Those starred are known to be in high schools.

You will be interested in the report of Miss Walker, the School Nurse. The items there tell, in part, of her visits, calls, and assistance in remedying defects.

There is no one phase of community life of more general interest and concern than that which the young people afford. How quickly they "grow up". How soon they leave your schools, most of them to continue their education through high school. Those years are quickly gone, and then perhaps comes the sterner business of finding their places and their work-in-life. It is no easy matter. We wonder many times, if the schools are doing all they should to fit them for this adventure. To the members of the School Board, to the teachers, and to all parents who earnestly try—even though at times discouraged—to help in the training period, appreciation is sincerely given.

Respectfully submitted,

J. BYRON TARNEY,

Superintendent of Schools.
